

FOR THE DOGS

Have you ever seen a dog playing the piano? There was one at the second annual Silver Lake Rocks! Silver Lake Runs! 5K walk/run held Sunday. The proceeds from the event went to Pets Are Wonderful Support/Los Angeles, a West Hollywood-based nonprofit organization that helps people with life-threatening illnesses keep and care for their companion pet. The run started at the corner of Silverlake Boulevard and Armstrong Avenue and went around the reservoir. At the end, there was a pancake breakfast for participants.
